We want to make sure that you find the right course for you and so we ask that you complete this form carefully. We encourage students to consider a wide choice before deciding which course to study. Therefore, to give you every opportunity to make the right decision it may be necessary to come to more than one interview. You will be invited to bring your Progress File and careers action plan with you when you come for an interview (if applicable) and you are encouraged to bring your parents/carer with you.

If you are a year 11 student attending a school in the Wakefield area, you may be able to apply online.
