

Course Fees Policy

2020/2021

Review Cycle:	Annually
Next Review Date:	March 2021
Person Responsible:	Executive Director of Finance and Resources
Approving Body:	Board of Governors

1. Introduction

- 1.1. Wakefield College's approach to setting and collecting course fees and associated charges is reviewed on an annual basis. The course fees policy has a major impact on the educational character of the College and is therefore approved by the Governing Body.
- 1.2. The approach of the College to recovering fees for further education courses is largely dictated by the Education and Skills Funding Agency (ESFA).
- 1.3. The approach of the College to setting fees and bursaries for higher education courses is subject to the approval of the Office for Students (OfS).

2. Objectives

- 2.1. This policy seeks to ensure that:
 - the College's approach to course and additional fees is fair, equitable and clear;
 - any barriers to participation presented by course fees and associated charges are mitigated by providing flexible payment options and/or by assisting learners to access appropriate financial support;
 - the College can respond flexibly to market forces and government policy, including fee guidance issued by the Education and Skills Funding Agency;
 - the College generates a proportion of overall income from non-publicly funded sources;
 - all obligations in respect of payment of fees are clearly shown.

3. General Principles

- 3.1. Learners or their sponsors, unless they qualify for exemptions or waivers, are to be charged:
 - a course fee;
 - the cost of any equipment necessary to undertake their programme of study if this equipment will remain the property of the learner once the course has been completed;
 - the cost of any trips or visits associated with the programme of study;
 - the cost of any examination re-sits, where appropriate;
 - the cost of any charges imposed by awarding organisations (e.g. re-marking, requests for scripts).
- 3.2. Classroom based learners are ultimately responsible for ensuring that their fees are paid, even when a third party (e.g. an employer) intends to pay on their behalf.
- 3.3. All course fees (or deposits and payment plans) are due at enrolment.
- 3.4. Instalment arrangements are available if certain criteria are met and payments are made by Direct Debit.
- 3.5. No course fees are payable by 16–18 year old FE learners, including those on part time programmes, or by adult learners who meet the specified criteria in Appendix 1. All other fees would be payable if applicable.
- 3.6. Where courses are for more than one year, published course fees are for the full duration of the course unless it is for a HE course which are charged annually, or otherwise stated.
- 3.7. Some of our courses are not subsidised by our funding bodies; therefore, course fees are payable as published in the prospectus for these courses, regardless of age or circumstances of learner.
- 3.8. Fee concessions and the fee rate payable may be subject to learner age, previous qualifications, residency status in the UK and the course. Further details can be found here <https://www.wakefield.ac.uk/study-with-us/fees-and-money-matters/>
- 3.9. Learners seeking a reduction or waiver of course fees under these policies must produce documentary evidence of their entitlement, at enrolment.
- 3.10. In order for a learner to be eligible for Government funding for their learning programme the learner must have the legal right to be resident in the UK at the start of their programme. There should also be a reasonable likelihood that the learner will be able to complete their programme of study.

- 3.11. A learner's course fee status at enrolment (e.g. employed, in receipt of eligible benefit) applies throughout the year on that learning aim.
- 3.12. Learners are directly responsible for registration with (and payment to) any relevant Professional Bodies.
- 3.13. The full course fee is payable even if the learner decides not to complete the course.
- 3.14. Fees for courses 13 weeks or more in duration will include a free 'taster' period and no fee will be charged for attendance up to this point. (FE is two weeks; HE is one week).

4. Further Education Course Fees: Learners Aged Under 16

- 4.1. The College does not receive ESFA funding for learners aged under 16 who are on a school roll and participate in part-time School Link (Step Up) programmes or the full time Early College Transfer (ECT) scheme. Schools pay the College directly for this provision.

5. Further Education Course Fees: Learners Aged 16-18

- 5.1. Although the College is prohibited from charging 16-18 year old learners any course fees in respect of Education and Skills Funding Agency (ESFA) funded FE courses, other costs will be charged as detailed in section 3.1.

6. Loan Eligible Courses for FE Learners Aged 19-23

- 6.1. Whether College receives ESFA funding or not for 19-23 year old learners on level 3 FE courses, Access to HE courses and A Levels depends on a learner's prior attainment.
- 6.2. The College receives funding for some level 3 courses if a learner does not already have a full level 3; learners without a previous full level 3 will have their course fees remitted if the course is eligible.
- 6.3. The College does not receive funding for level 3 courses if a learner already has a level 3; learners with a previous full level 3 will need to pay course fees or apply for an Advanced Learner Loan (ALL).
- 6.4. The College does not receive funding for any learners aged 19-23 on higher level FE courses (levels 4-6). All learners on these courses will need to pay course fees directly or apply for an Advanced Learner Loan (ALL).

7. Loan Eligible Courses for FE Learners Aged 24+

- 7.1. The College does not receive funding for any learners aged 24 and over on advanced or higher level FE courses (levels 3-6), including Access to HE courses and A Levels. All 24+ learners on these

courses will need to pay course fees or apply for an Advanced Learner Loan.

8. Advanced Learner Loans - General

- 8.1. Learners aged 19 or over by 31 August 2020 can apply for an Advanced Learner Loan, via Student Finance England, to pay their course fees. The loan is available for eligible courses only (e.g. Level 3 Awards are not in the scope of Advanced Learner Loans).
- 8.2. All learners who wish to apply for an Advanced Learner Loan will need to apply for the full value of the loan they require for the duration of their course.
- 8.3. Where a learner elects to pay course fees via an Advanced Learner Loan and then withdraws early from the course, his/her monthly loan payments to College will cease. In addition to the learner being liable to the Student Loan Company (SLC) for the amount of loan payment made, the balance of course fees also remains due and payable by the learner to College.
- 8.4. Learners will be informed prior to their enrolment of their course fee obligations upon withdrawal via their 'Learning and Funding Information' letter.
- 8.5. Advanced Learner Loans are available to pay course fees only. Any additional fees that are not mandatory for the course (e.g. visits) or any materials that the student chooses to retain (e.g. hair and beauty equipment) will be charged directly to the learner during the year as necessary.
- 8.6. Advanced Learner Loan students may be able to access the College's bursary fund for support, e.g. with travel costs. Students' applications are considered on an individual basis by the College's Financial Support Team.
- 8.7. Any learner without an approved loan at enrolment will be required to pay a deposit of £150 towards their course fee. Deposits will be refunded once a loan has been approved and the College has received three monthly loan instalments. Deposits will not be refunded if a learner withdraws from their course or fails to obtain a loan. Evidence of a loan application is not sufficient to avoid paying the deposit. Staff should encourage applicants to apply in advance for their loan.
- 8.8. Any student who has not been successful in obtaining a loan, on an eligible course, who then fails to make, or is unable to make, alternative payment arrangements will not be permitted to continue with the course. They will also be held liable for the full course fee.
- 8.9. Early withdrawals: students who withdraw from their course early will enter 'repayment status' with SLC from the 6 April following their withdrawal date. This means that they may be required to commence repayment of their loan from this date.

- 8.10. Students on 'Access to HE' courses are only able to secure a loan *once*. Early withdrawal on these courses may effectively prevent any further loan opportunity and prevent access to Higher Education in the future.

9. Progression Students

- 9.1. Continuing learners who are over 18 and began a learning aim before the age of 19 will normally have their course fee automatically remitted by the ESFA. Where this is not the case, the learner will be expected to pay the full course fee.

10. College Discretionary Fee Remission

- 10.1. The College holds a limited fund for discretionary course fee remission and may offer support to learners who are on low incomes but do not qualify for automatic fee remission. Household income thresholds apply, and a part student contribution will be charged.
- 10.2. Student applications are considered on an individual basis by the College's Financial Support Team.

11. Bespoke Employer Courses

- 11.1. Payment for such courses are due in advance.

12. Apprenticeships

- 12.1. Course fees and payment terms for apprentices are as contracted with Individual employers (SMEs and Apprenticeship Levy payers).
- 12.2. The Employer pays course fees to College as detailed in the agreed Contract.
- 12.3. Invoices will be issued individually for each apprentice.
- 12.4. For employers with a digital account, funds will be paid to College on a monthly basis after the employer has registered the apprentice on the Digital Apprentice Service (DAS).
- 12.5. Where there are insufficient DAS funds available to pay any course fees due, the employer will pay a 5% contribution through the period of shortfall (10% for apprenticeships that started before 1 April 2019).
- 12.6. For employers paying a contribution towards ESFA funded training costs, the following payment options are available:
- Course fees can be paid in full on receipt of invoice.
 - For course fees up to and including £499, payment must be in full on receipt of invoice.

- For course fees £500 or greater, payment can be made over a maximum of 12 equal monthly Direct Debits. The final instalment must be received at least 3 months before the planned end date of the course.

13. Higher Education Course Fees

- 13.1. The College receives no funding to cover the costs of HE teaching and will recover the cost of teaching through setting an appropriate course fee which will be charged to the student.
- 13.2. The College offers Higher Education learners the facility to pay by instalments, although most learners elect to apply for a student loan to cover their course fees.

14. Higher Education Full Time and Part Time Fees for Students

- 14.1. New entrants in 2020 will be charged £6,750 per 120 credits full time and pro-rata of the equivalent full time course fee for part time (based on academic credits studied).
- 14.2. Students starting higher national certificates in construction are outside the scope of the 2020/21 OfS Agreement and for these programmes of study, the equivalent full-time course fee remains at £6,000 for 2020/21.
- 14.3. The fees detailed may be subject to review in exceptional circumstances by reference to the Director of Higher Education or Executive Director Finance & Resources.
- 14.4. Subject to Office for Students (OfS) agreement, the College will be awarding scholarships and bursaries to eligible students starting in academic year 2020/21
- 14.5. The proposed Higher Education full time fee for 2021/22 will be set once further guidance is available from the Office for Students (OfS).
- 14.6. The College will offer eligible Higher Education students enrolling on a course in 2020/21 a Go Higher Reward bursary of up to £600.

15. International Fees

- 15.1. Wakefield College's international students are those who travel to the UK, from a different country, with a General student visa (Tier 4) to study in the UK.
- 15.2. All international students will be expected to pay their course fee in full before the commencement of their course. Any variations to this must be authorised by the Executive Director Finance & Resources.
- 15.3. International Students' course fees for 2020/21 for full time programmes vary according to the programme of study:

- A Levels and Level 3 Diplomas - £9,000 per year (2 year programmes)
 - Higher Education - £9,500 per year
- 15.4. International students' course fees will be deemed to include a non-refundable administration fee of £500. This will be deducted from any refund where a student is unsuccessful in obtaining a visa.

16. Overseas Fees

- 16.1. If a student does not meet ESFA criteria for Residency eligibility they will be charged £13.00 per hour for an FE course or £20.00 per hour for an HE course. The minimum course fees charged to an overseas student should be the course fees for a home student and the maximum fees should be the course fees for an International student.
- 16.2. Further details on residency can be found here <https://www.gov.uk/guidance/sfa-funding-rules>

17. Payment of Course Fees and Instalments

- 17.1. All course fees become payable on the completion of an enrolment form either by the learner or by a sponsor unless the learner is entitled to full fee remission. Payment of course fees may be made by cash, card and in the case of instalments, by deposit and monthly direct debit.
- 17.2. Where the total course fee is less than £150 learners must pay in full at the time of enrolment.
- 17.3. Where the course duration is 13 weeks or more, learners must pay in full at the time of enrolment.
- 17.4. Where the total course fee is £150 or more, and the course is 13 weeks or more in duration, learners can pay a deposit at enrolment followed by equal monthly instalments. The amount of the deposit and the number of instalments available will vary depending on the value of the course:

Value of the course	Payable at enrolment (first instalment)	Payable by Direct Debit (additional instalments)
Note – course duration must be 13 weeks of more for instalments to be available		
Not paying by direct debit	100%	N/A
Up to £149	100%	N/A
£150 to £750	30%	3
£751 to £999	20%	5
£1000 + AND up to 12 months (FE)	15%	8
£1000 + AND 13 months or more (FE)	10%	11
HE courses	15%	8
ESOL courses	40%	2

- 17.5. Instalments may span academic years, depending on the start date of the course. The instalment option is not available to international students, employers or sponsors.
- 17.6. Where a learner pays a £150 deposit towards an Adult Learner Loan funded course that is awaiting approval, then there is no requirement to complete a Direct Debit form.
- 17.7. Some courses are only funded in part by a loan. In these cases an instalment plan and completed Direct Debit form would be needed to cover any fees payable by the student.
- 17.8. Where fees are solely for visits, alternative payment plans can be considered based on College costs incurred to date and on dates of departure.

18. Payment Incentives

- 18.1. The College offers a 10% prompt payment discount.
- 18.2. The discount is available to students enrolling on an FE course (over £150 and over twelve weeks' duration) where the learner makes payment in full, at the time of enrolment.
- 18.3. The discount is available on the course fee only.
- 18.4. The discount is not available to sponsors, international students or to students who choose to pay fees by an Advanced Learner Loan.
- 18.5. The discount applies to FE course fees only and is not available on HE courses.

19. Unpaid Fees

- 19.1. The College will use appropriate debt recovery procedures where learners breach the terms of their payment agreement and may exclude such learners from the College. The College will also seek to recover any legal and other costs it incurs in recovering unpaid fees.
- 19.2. Learners undertaking a two-year programme will not be allowed to progress to the second year of the course where fees relating to the first year remain unpaid, and learners who complete a programme of study but have fees outstanding will not be allowed to enrol on further programmes of study until any outstanding debt has been cleared.

20. Fee Refunds (General Principles)

- 20.1. Course fee refunds will be approved where the College has had to cancel a course.
- 20.2. Non-attendance: If a learner withdraws from a course prior to its commencement, a refund will normally be given on request, but the College reserves the right to recover fees if the refund would affect the course's continuing viability. This includes long courses but excludes 'short' and bespoke courses.
- 20.3. In the case of early withdrawal from a FE course, if a learner withdraws after the two-week taster period, full fees remain payable.
- 20.4. Should the College be unable to complete the provision, once started, students who have had fees paid on their behalf by the Student Loans Company will have their loan obligation reduced to zero.
- 20.5. All home students' course fees will be deemed to include a non-refundable administration fee of £30.
- 20.6. The College will not refund fees if it is unable to perform any of its obligations due to causes beyond its reasonable control. This may include but is not limited to: fire, flood, windstorm or other natural disaster, closure due to adverse weather conditions, interruption to or failure of electric power, gas or water, strike, collapse of building structures, failure of machinery, computers or vehicles.

21. Course Fee Refunds (HE)

- 21.1. Where an HE learner elects to pay course fees via a student loan, the SLC will make payments to College per term, or part term attended. After the one-week 'taster' period, the SLC will pay College as follows: for attendance in term one (25%), for any attendance in term two (25%) and for any attendance in term three (50%).
- 21.2. HE loan students, who withdraw from their course early, will have their loan liability reduced in line with the SLC payment schedule.

- 21.3. HE students paying their own course fees directly, who withdraw from their course early, will have their course fee liability reduced in line with the SLC payment schedule.
- 21.4. Where HE course fees are paid by a sponsor, in the event of learner withdrawal, full fees remain payable after the taster period has elapsed.

22. Course Fee Refunds (Apprenticeships)

- 22.1. Full course fee credit will be approved where a learner has attended between one and five weeks. Attendance in the sixth week will normally incur the full year's course fees. Any apprentice related refunds are at the discretion of the Executive Director - Employer Engagement and Apprenticeships.

23. Deferrals

- 23.1. Where a learner is obliged to withdraw from a course, it may be possible to defer course fees for up to twelve months (if the Head of Curriculum considers this academically appropriate). After this specified period, no further deferral will be considered. All deferrals will be at the discretion of the Executive Director of Finance and Resources.
- 23.2. If a deferred student fails to enrol during the following academic year, the previous year's course fees become payable in full.

24. Interpretation of the Policy

- 24.1. The College recognises that there may be exceptional circumstances in which a certain level of discretion may need to be exercised.
- 24.2. The Executive Director of Finance and Resources has the discretion to waive or reduce course fees and/or deposits payable under instalment arrangements having regard to the personal circumstances of individual learners. However, waivers and reductions are unlikely to be given to learners with a previous poor payment history.
- 24.3. This policy sets out the minimum course fee to be charged for different aspects of the College curriculum offer. Where appropriate, a higher course fee can be charged at the discretion of the relevant Executive Director.

25. Monitoring of the Policy

25.1. The policy has been through the College's Equality Assessment process. The table below explains how this policy will be monitored.
