DECLARATION OF FITNESS TO COMPLETE ASSESSMENT

Wakefield College requires all higher education students to sign a declaration that they are fit to do so before completing an assessment. A student who has signed a declaration that they are fit to complete an assessment may not then submit a mitigating circumstances application unless:

1. They are affected by unforeseen circumstances beyond their control after signing the fit to sit declaration but before the end of the assessment; or
2. They are subsequently diagnosed as having been suffering from a condition at the time of the assessment of which, for a reason supported by evidence, they were unaware of at the time of the assessment; or
3. At the time of signing the fit to sit declaration, they were suffering from a condition which impaired their ability to make a rational judgement as to their ability to take the assessment.

In all of the above cases, the student must believe that these circumstances affected their performance in the assessment and in each case, they must provide objective and authoritative evidence of their condition.

Students must complete the information below.
